PROFILE

As a professional actor with over 20 years of experience in the entertainment industry, I have been fortunate to work on numerous productions in the West End, Theatre, Film, and Television. My extensive background in performing has not only exposed me to a wealth of talented and dedicated professionals, but has also inspired me to pursue my passion for building full-stack web applications in my free time. With over 60 productions under my belt, I am changing direction to now seek a long-term and consistent opportunity where I can utilize my unique skill set to make a meaningful contribution.

WORK EXPERIENCE

ACTOR

SELF EMPLOYED | UK, USA | 1999 - 2021

My most notable work includes; Doctor Who (BBC), Waterloo Road (BBC), The Sarah Jane Adventures (CBBC), Victoria (ITV), Glue (E4), The Hippopotamus (Film). I have also been involved in many script writing workshops with the National Theatre, events for Red Nose Day, Comic Relief and multiple Sci-Fi conventions across the world.

CUSTOMER TECHNICAL SUPPORT AGENT

VENTRICA | SOUTHEND-ON-SEA | 2022 - 2023

I worked at Ventrica's office to provide support for Ferrero with Thorntons website and the Kinder Egg recall of April 2022. I handled many different types of data mostly using Excel and Zendesk, raised tickets based on feedback of technical issues and consumer purchases.
